# GoFlex

GOOD  
DESIGN

Design by Rita Cruz & Guialmi Design Team  
Wait, Lounge, Co-work, Meet

## USE AND FUNCTION

- Public Spaces (modularity).
- Education (résistance et durability).
- Breakout Spaces (range and aesthetics).
- Health Spaces (materials, durability, space in between persons).
- Hospitality.

**GUIALMI**

## RANGE

- Initial, extension and end modules.
- Structures are independent of seats and tables this allowing a vast level of customization.
- The seats are available with or without backrest, they can be placed in 2 different orientations (forward facing or facing each other).
- The table allows the same positioning in the structure as the seats. A connecting table is available for 90° configurations.
